ANSWERING SERVICES At All Source Professionals, Inc. our focus is to provide the very best service possible to our clients. We understand the importance and responsibility involved in accurately handling information regarding your business and your clients. Our staff must successfully complete a rigorous training program with emphasis on accuracy, swiftness, and confidentiality. It is our belief that your clients in need of assistance appreciate and deserve a helpful, friendly voice. At All Source Professionals, Inc. our goal is to be your Complete Answering Solution where diversity, dependability, manageability and accountability are our priority. Diversity- With A.S.P. you get the best of both worlds, automation combined with customized features, to balance all the services we have to offer. Dependability- We have anticipated and prepared for every situation that could interrupt your service. We have "back-up" power supplies, computers, phone lines, and yes, even standby staff. Manageability- Flat monthly rates eliminate overages and hidden charges, allowing you to accurately budget your after-hours and emergency needs. Accountability- All calls are digitally recorded for your protection as well as ours.
