

Consulting Services

In addition to any of our medical billing services offered our experienced and dedicated staff will provide consulting services for your practice. Whether you are a new practice getting started or an established practice that needs to be reviewed for quality and improvement. We Can Help! Our Consulting Services include:

- Compliance Review
- OIG and HIPAA Compliance Program Services
- Provider Credentialing
- New Practice Procedure Development
- Provider Fee Schedule Review and Profit Analysis
- Encounter Form Creation
- Billing Process Review and Implementation
